SITE VISIT REPORT

Key details

Customer name:	Sawaed Al Bina Contracting Co.
CR number:	2050117342
Visit date:	24/09/2026
Visited by:	Hisham Al-Qahtani
Met with:	Turki Hamad Al-Sawaed; Eng. Ahmed Fawzi (Project Manager, Package B)
Premises:	Head office (Dammam, rented) and Package B site (Eastern Corridor Logistics Hub)
Staff observed:	420
Observations:	Package B site active; warehouse blocks W1-W3 structure complete, W4-W6 foundations; progress behind the original programme.

Observations

- About 420 workers and 38 items of heavy equipment on site, most of it hired from Sawaed Heavy Equipment Rental Co.
- Structure of W1-W3 complete; W4-W6 at foundation stage. Management attributes the delay to design changes by the employer.
- Extension of time of five months submitted on 14/04/2026; management says the employer's response is awaited.
- Management confirms certificates are being paid 'with some delay' by the employer; it expects payment of the outstanding certificates before the year end.
- Package C site (adjacent plot) not yet mobilised; mobilisation planned for December 2026.
